**Re: United States v. Sean Welch
24-cr-79 (ALC)**

Dear Judge Carter:

I write to respectfully request a 60-day adjournment of the conference in this matter, currently scheduled for August 27, 2024 at 12pm. The defense recently received a substantial amount of outstanding discovery in this matter – namely, extractions of electronic devices recovered from Mr. Welch – and is in the process of reviewing that material. The defense requests additional time to review the discovery and discuss with the government a possible pretrial disposition. This is the second request for an adjournment of the conference. The government does not object to this request.

In addition, the government requests, and the defense consents to, an exclusion of time under the Speedy Trial Act until the next court date so as to facilitate the review of discovery and any discussions regarding a possible pretrial resolution.

Sincerely,

/s/
